

Dear Couple,

Thank you for your interest in registering for the premarital classes, 2BECOME1. We are excited to be involved in such a wonderful milestone in your lives.

The first step in the process is for you to complete the **Marriage Notification Form** on the Tightknots website. Once we receive your completed form, an appointment will be arranged for you to meet with us.

WEDDING CEREMONY

This will be an opportunity to discuss your plans, help assess your needs and answer any questions you might have concerning your big day and guide you through the entire wedding ceremony and premarital class process. Please note that we require a minimum notice period of nine months prior to your intended wedding day due to the various church activities and events throughout the year. It is important to ensure that the availability of the date in the church calendar and officiating ministers is confirmed prior to booking confirming your reception venue and other arrangements.
